Remarks:

The attached procedure appears to be workable, however, it seems to me to be unnecessarily complicated in that, for record purposes we go in and out (OGC)

Require Budget to issue
allotment advices to cover
issues - This may be
necessary as a matter of
Budget policy but a
more direct approach would
be to treat issues so
as to reverse the 6807-10
allotment charges monthly -
This would require no action
by Treasury or Budget - Another,
less simple approach would
be to have Budget allot additional
funds to 6807-10 as required
based on issue reports by Treasury.
This would leave Treasury out
of it.

Also, I assume the duplication
of obligations between Divisions and
Hdq. is necessary.
